

Smart benefits for healthy vision.

Whether you're a lifelong glasses/contact lens wearer or are considering eyecare for the first time, the need for vision insurance has never been greater:

- **79% of adults** use some form of vision correction¹
- An estimated **1 in 4 children** in the U.S. have an undiagnosed vision problem²
- The average American adult spends **11 of 18 waking hours** looking at a screen³

DeltaVision has you covered.

With our large network of providers, DeltaVision provides eyecare coverage for more than 138,000 members.⁴

SIMPLE

- Coverage accepted at 125,000 providers nationwide⁵
- Bundle dental and vision coverage from one trusted company

COMPREHENSIVE

- Covers exams, frames, lenses and more
- Benefits for conventional and disposable contact lenses and Fit & Follow-Up Exams

AFFORDABLE

- Monthly premium under \$18
- Includes access to hearing care discounts and diabetic vision benefits at **no additional cost**
- **FREE** pair of designer sunglasses through the One & Sun™ program when you get your annual eye exam

DID YOU KNOW?

Annual eye exams can help identify early signs of chronic health conditions like high blood pressure, diabetes, heart disease, high cholesterol and more.⁶

To be eligible for this coverage, you must be enrolled in a Delta Dental Individual and Family dental plan. Plans and rates are effective January 1, 2025 through December 31, 2025 and are subject to Iowa Insurance Division approval. After paying to insure three children up to the age of 21, there will be no charge for additional children (up to the age of 21) included on the policy.

Veratrus Benefit Solutions, Inc. underwrites DeltaVision using the EyeMed Vision Care Insight Network. Veratrus is a wholly owned subsidiary of Delta Dental of Iowa. For more information on Veratrus, visit deltadentalia.com/veratrus.
