This is the maximum dollar amount the Dental Wellness Plan will pay toward the cost of dental care during the benefit year (July 1-June 30). You are personally responsible for paying costs above the annual maximum. The annual benefit maximum does not apply to DWP members 19 and 20 years old.

Services that do NOT count towards your Annual Benefit Maximum include:

- Routine Cleanings, Exams, and X-ray Services
- Dentures and Partials

If you have reached your \$1,000 Annual Benefit Maximum and the services are not on the excluded list, you will be responsible for paying for the service.

5 Services Not Covered

The list below shows some of the services that are never covered by the Dental Wellness Plan. You can agree with your dentist in writing to have these services done. If you have these services, you are responsible for paying your dentist.

Please note: Even if a service is not listed below, it may not be covered under this plan. If you are unsure if a service is covered, please call us toll-free at 1-888-472- 2793.

- The service was received before the member became eligible for the services

5.2 Exception to Policy

An exception to policy (ETP) is for an item or service that is not covered by Iowa Health & Human Services (HHS). The criteria for granting an exception to policy can be found in 441 Iowa Administrative Code 1.8(2). Criteria includes:

- Is there an extreme need for an item or service?
- Are there exceptional circumstances that justify an exception to policy?
- Would an exception to policy result in net savings to the state?
- Have all other possible sources been exhausted?
- What is the cost to the state and are there funds in the HHS budget?

If you feel you are eligible for an ETP, you should work with your dentist to have the proper forms and documentation completed. Your dentist can find this form and instructions for completion on Delta Dental's website on the DWP Resources and Forms page: www.deltadentalia.com/dwp/about-dwp/resources--forms/

5.3 Early Periodic Screening Diagnosis and Treatment (EPSDT)

EPSDT is a benefit of the Medicaid Program for children under the age of 21. EPSDT is key to making sure that children and adolescents get appropriate preventive, dental, and mental health services, as well as developmental and specialty services.

Members 19 and 20 years old are eligible to receive covered benefits and services under the Dental Wellness Plan as long as the service meets clinical criteria. This includes orthodontia services.

Members that are 19 and 20 years old do not have an annual benefit maximum. You should see a DWP dentist every six months for a regular EPSDT dental checkup. For help finding a dentist, call us at 1-888-472-2793. If you have questions about other EPSDT benefits, contact your medical managed care organization.

5.4 Care Coordination

Delta Dental has care coordination services to help you get the dental care you need. We can help you:

- Find a dentist or specialist
- Make an appointment with your dentist
- Get records or a referral from your dentist
- And more!

If you need help with getting the dental care you need, please call Delta Dental Member Services at 888-472-2793.

6 Going to the Dentist

6.1 Picking Your Dentist

To find a Dental Wellness Plan Network Dentist visit our website at: www.deltadentalia.com/find-a-provider/dwp/

The online dentist search will help you find a dentist near you. You can also search for specialists (for example: oral surgeons). It can also tell you things about each dentist, such as their office hours, if they are accepting new patients, or languages spoken in the office.

We recommend you visit a dentist that is part of the Dental Wellness Plan Network or you may have to pay for your dental services. If you need help finding a dentist in the network or have questions, call us toll-free at 1-888-472-2793.

You can get a JSON file of our provider directory but visiting our website and clicking on “JSON File”. This will download the file to your computer for you to use:

<https://www.deltadentalia.com/find-a-provider/>

6.1.1 Can my Dentist Charge me for Services if they are in the DWP Network?

Your Dentist may be able to charge you for services that are not covered. Please see Section 8 of this Handbook for more details about when you may be responsible for paying for services.

If Delta Dental pays your dentist less than the amount he or she charges for a covered service, your dentist cannot ask you to pay the rest of the bill. For example, if the provider’s charge is \$100 and the amount that DWP will pay the provider is \$70, the provider cannot bill you for the remaining \$30.

6.1.2 What If I Choose a Dentist Who is Not in the Network?

If you choose to see a dentist that is not part of the Dental Wellness Plan Network, you may have to pay for any services provided by the dentist, except for some emergency services. An out of network dentist is not required to bill your insurance for services, even in an emergency. Please call us toll-free at 1-888-472-2793 if you have questions about emergency services and seeing a dentist who is not in network.

6.1.3 How do I Find a Specialist?

For some dental services, your dentist or medical doctor may recommend you see a specialist. Specialists in dentistry include oral surgeons, periodontists, orthodontists, and prosthodontists (see the Glossary of Terms on page 38 for information about what each specialist does). You can find a specialist by visiting www.deltadentalia.com/find-a-provider/dwp/ and searching by the specialty you need.

You may see any specialist in the Dental Wellness Plan Network. You do not need to contact Delta Dental before seeing an in-network specialist. Some specialists may require a referral and records from a dentist or doctor to make an appointment. You are responsible for making sure the referral and needed records are sent to the specialist. It is normal for specialists to have longer wait times or a wait list to get an appointment.

Please call us toll-free at 1-888-472-2793 if you need help finding a specialist or getting a referral and records.

6.1.4 What if my Dentist Leaves the Network?

If the dentist you are seeing leaves the Dental Wellness Plan Network, we will send you a letter in the mail to let you know. We will also send you information on how to pick a new dentist.

6.1.5 What if I Want to see a Different Dentist?

You may see any Dental Wellness Plan Network dentist or specialist that you choose. You do not need to contact us to change dentists. If you move or decide to switch to a new Dental Wellness Plan dentist, you are responsible for getting your current dentist to send a copy of your records to your new dentist. All DWP network dentists must provide you copies of your records, free of charge. If you would like help with this process, you may call us at 1-888-472-2793.

6.1.6 What if I was on a Different Dental Plan?

If you have been on a different dental plan or if you have been seeing a dentist that is not part of the DWP Network, we will help you find a dentist. During this transition, you can continue to see your current dental provider for 90 days if that provider is enrolled in Iowa Medicaid.

After 90 days, Delta Dental will not pay for services provided by a dentist who is not in Delta Dental's DWP network, unless it is for emergency care. If you see a dentist who is not a Delta Dental DWP dentist, you will be responsible for paying for those services.

We will work with you and the office to get your dental records sent to your new provider. If you would like help with this, you may call us at 1-888-472-2793.

Please Note: Some dentists may take the Dental Wellness Plan with another Dental Carrier, but not with Delta Dental. If you switch to Delta Dental or another Dental Carrier, please check with your dentist before your appointment to make sure they take your insurance plan.

7 Scheduling an Appointment

After you pick a dentist, it is time to schedule an appointment. For your first appointment, most dentists will want to see you for an exam. The exam helps dentists understand your oral health and create a treatment plan to best help you.

7.1 Calling to Make an Appointment

When you call dental offices, make sure you tell them you have the Dental Wellness Plan with Delta Dental. Confirm with the office they are in the Dental Wellness Plan Network.

When you call dental offices, make sure you have:

- Your Delta Dental Member ID Card
- Your Medicaid ID Number (found on your Member ID Card)
- ID Cards for Other Dental Insurance Plans you have
- Your Date of Birth
- A schedule of when you can go to the dentist

Note: It is normal for dentists to have wait times or wait lists for appointments. Sometimes it may take six to eight weeks to get your first appointment with a dentist. If you are having a dental emergency and need to see a dentist right away, visit our website: <https://www.deltadentalia.com/dwp/virtual/>

7.2 What to Bring to Your Visit

Bring the items listed below to your dental appointment:

- Your Delta Dental Wellness Plan ID Card
- If you have other dental coverage, bring that information to show your dentist
- Have your dental records sent over to your new dental office before your appointment
- Information about your medical and oral health history to your appointment. It is important you tell your dentist this information!

7.3 What if I Need to Cancel My Dental Visit?

If you cannot keep your dental appointment, be sure to call the dental office to cancel the appointment as soon as possible. When possible, please try to cancel your appointment at least 48 hours prior to the appointment. Try to reschedule your visit for another day.

7.4 What if I Miss an Appointment?

A missed dental appointment is a problem for both you and the provider. It may cause longer wait times for appointments and services.

The dentist holds that appointment time just for you. Your appointments are important! Most offices require at least a 48-hour notice for any appointment changes. It is best to cancel and reschedule your appointment as soon as you know you need to.

Many offices have missed appointment policies and will not see a patient who misses their appointments. You will then need to find a new dentist.

Dentists will have different rules about cancelling appointments and missed appointments. Please talk to your dentist's office about their specific appointment rules and policies.

7.5 Can my Dentist Bill me if I Miss an Appointment?

Your dentist may choose to charge a fee when you miss an appointment, do not cancel ahead of time, or if you break any of the dental office's policies or rules.

The office will have you sign a form saying you agree to their rules and the fees. The Dental Wellness Plan does not cover any fees for missing appointments, cancelling without enough notice, or breaking any other office rules. You will be responsible for these fees. Please talk to your dentist's office about their rules and if they will charge you a fee.

7.6 What if I Need Help with Transportation for my Dental Appointments?

You may be eligible for help with transportation at no cost to you. You may be able to arrange for a ride to and from your appointment or mileage reimbursement. If you are eligible, transportation services will go through your medical managed care organization (MCO), Wellpoint, Iowa Total Care, or Molina Healthcare. If you do not know who your MCO is, you can call Iowa Medicaid Member Services at 1-800-338-8366. Please contact your MCO (see page 4 for contact information) for more information about if you are eligible for transportation services and how to set up services.

7.7 What if I want a second opinion from another dental provider?

A second opinion is when you get an exam from a different dental provider. Some examples of when you might get a second opinion include:

- See if there is another treatment plan that may help you
- To confirm the original diagnosis from your dentist
- To make an informed decision

You can see any Network dentist for a second opinion. Please call Delta Dental's Member Services at 888-427-2793 if you want help with finding a provider to give you a second opinion. You can also use Delta Dental's Find a Provider tool on our website to find a dentist in your area:
www.deltadentalia.com/find-a-provider/dwp/

7.8 Prior Authorization

Certain services or benefits require Delta Dental's approval. Your dentist is responsible for getting the prior authorization (approval) from us. Your dentist will often need to send in dental records and information to tell Delta Dental why you need this service. Please talk to your dentist if you have any questions about why you need a service.

There are often clinical rules and criteria the service must meet. If the services are not approved by Delta Dental, you and your dentist will receive written notices in the mail. If Delta Dental denied the prior authorization and the services are still done, you may be responsible for paying the dentist.

If your prior authorization is denied, you have the right to file an appeal if you think the service should be covered. You, your dentist, your legal counsel, or someone you name to act for you may file an appeal. Please see page 19 for more information about how to file an appeal.

If you have a prior authorization from another dentist before being enrolled with the Dental Wellness Plan, we will approve that authorization for up to 90 days.

8 Payment for Services

8.1 How Much do I Pay?

For covered dental services, you pay nothing as long as you see a Dental Wellness Plan Network Dentist. If you receive services from a provider that is not a network provider, you may have to pay for these services. If you agree to receive services that are not covered by the Dental Wellness Plan, you will have to pay for those services. Always call us before your appointment if you have questions about if a provider is in-network and what services are covered.

You will also need to pay for certain services after you have gone above your annual benefit maximum. Please see page 6 for more information about your annual benefit maximum.

8.2 What if I Have Two Dental Insurance Plans?

The Dental Wellness Plan is always the payer of last resort. This means that DWP will pay only after the other insurance you have has paid.

You should always let your dentist and Iowa Medicaid know about the other dental insurance plans you have. You can notify Iowa Medicaid by calling Iowa Medicaid Member Services toll free at 1-800-338-8366.

8.3 What if I Get a Bill?

Your Dental Wellness Plan Network Dentist should only bill you for services related to the reasons in the “When Do I Pay for Services” below or after you have reached your annual benefit maximum of \$1,000. Your dentist is not allowed to bill you if the Dental Wellness Plan pays less than what they charge. If you have questions, call us for help, toll free at 1-888-472-2793.

8.4 When do I Pay for Services?

Members may pay for services due to frequency limitations, non-covered services, services provided by an out of network dentist, services that are over your Annual Benefit Maximum limitations, and/or if the member has agreed to pay for services that are covered. Dentists are not allowed to charge you for personal protective equipment.

As a member, your dentist must inform you and you must sign a Patient Financial Responsibility Form stating you agree to pay for these services prior to the services being performed. Any agreement with your dentist should include the services and the amount to be paid by you.

If you become ineligible for the Dental Wellness Plan during the time the services were provided you will be responsible for the charges for those services. If you have questions about your eligibility, you can contact Delta

Dental at 1-888-472-2793 or Iowa Medicaid Member Services at 1-800-338-8366.

8.5 How to File a Claim

A dentist who is part of the Dental Wellness Plan Network will file your claim for you. Be sure to let your dentist know about other dental insurance plans you have to ensure proper coordination of benefits. If you have questions about a claim being filed, please call Delta Dental for help at 1-888-472-2793.

9 Emergencies

9.1 What is an Emergency Dental Condition?

Emergency dental services address an urgent clinical dental issue or problem where care is needed immediately. This may include having pain or an infection. A few examples of a dental emergency are toothaches, a lost tooth, or a broken or fractured jaw. If you think you are having a dental emergency, try to keep calm and get to the nearest dentist or medical doctor immediately.

9.2 What to do in a Dental Emergency

- If you have a dentist and it is during normal business hours: call your dentist's office to find out how to get emergency services.
- If you have a dentist and it is after normal business hours: call your dentist's after-hours line (if available).
- If it is during normal business hours and you do not have a dentist: call Delta Dental at 1-888-472-2793 for help finding a dentist who can see you. Ask member services about additional emergent benefits that may be available to you.
- Make an appointment with TeleDentistry.com (see below for more information).
- If you cannot contact a dentist or Delta Dental, go to the nearest Emergency Room.
- Call 911 if you think your life is in danger.

You do NOT need approval to receive emergency dental services. You have the right to use any dentist for emergency care. Please contact Delta Dental at 1-888-472-2793 if you have any questions about what a dental emergency is and dental benefits.

9.3 What is Teledentistry and how can it help me in a Dental Emergency?

Delta Dental of Iowa DWP members can access TeleDentistry.com. You can see an Iowa licensed dentist virtually from your phone or computer. Teledentistry is a safe way to receive dental care when you cannot find a dentist. Virtual dentists can do a limited exam to tell you what the dental problem is and help treat the problem until you can see a dentist in-person.

You can use TeleDentistry.com when you:

- Have a dental emergency and do not have a regular dentist
- Need access to a dentist after hours if your dentist is not available

Visit our Website for More Information About Making an Appointment with Teledentistry: www.deltadentalia.com/dwp/virtual/

9.4 What if I'm Out of Iowa and have a Dental Emergency?

If you need emergency dental services while traveling, call us toll-free at 1-888- 472-2793. We will try to help you locate a dentist or seek assistance from a dentist in the area you are visiting. Alternatively, you can go to a nearby emergency room. If your life is in danger, call 911.

9.5 What if I want to see a Dentist for a Dental Emergency and they are not a Delta Dental DWP Dentist?

You can get emergency services from a dentist who is not a Delta Dental DWP Dentist. Delta Dental will cover emergency services from non-DWP dentists. This includes the exam and services needed to stabilize your dental emergency. The dentist must bill Delta Dental.

If you see a dentist who is not a DWP dentist after your dental emergency has been stabilized, you may be responsible for paying for those services. Please call us for help with finding a Delta Dental DWP dentist at 1-888-472-2793.

You, your dentist, your legal counsel, or someone you name to act for you may file an appeal, grievance, or request a state fair hearing for you. If you choose to have someone file for you, we will send you a one-page form that you must sign and return to us. This form will tell us that you give permission to the person you name to represent you during the process. Delta Dental representatives are also available to help you file a grievance or appeal. Call us at 1-888-472-2793 if you need help or have questions.

This time may be extended by up to 14 additional days if 1) you request more time or 2) we need more information and it is in your best interest. We will let you know if an extension is needed. We will send you a written notice in the mail and call you to let you know. It will explain why the extension is in your best interest. You also have the right to file a grievance if you disagree.

- Other reasons, including poor quality of care, lack of access to services covered, or a lack of access to providers.

12.3 Appeal

An appeal is a request for a review of an adverse benefit determination by Delta Dental. An adverse benefit determination is a statement sent by Delta Dental of Iowa to you. This explains what services were not paid for by Delta Dental of Iowa and you may be liable for. You can also call us at 1-888-472-2793 to check if a service has been paid for. We recommend you try to file your appeal as soon as possible, and you must file within 60 days of the date on your adverse benefit determination.

An appeal can be for any of the following:

- The denial or limited authorization of a requested service, including the type of level of service.
- The reduction, suspension, or termination of a previously authorized service.
- The denial, in whole or in part, of payment for a service.
- The failure to provide services in a timely manner, as defined by the State.

When you file an appeal, you must:

- File within 60 days of the date on your adverse benefit determination.
- Tell us you want an appeal. You can mail, email, fax, or telephone us.

We will tell you when we get your written appeal request within three business days. You then have the opportunity, in writing and in person, to present evidence and make your argument. You have a limited time available to submit additional information to us before we make a decision. We will send you a written decision within 30 days of receiving your appeal request. This time may be extended by up to 14 additional days if 1) you request more time or 2) we need more information and it is in your best interest. If an extension is needed, we will send you written notice in the mail and call you to let you know. It will explain why the extension is in your best interest. If you have additional information that may help us review your appeal, please promptly provide it in person or in writing. If we fail to meet the notice and timeline requirements for an appeal, you may then request a state fair hearing.

Before and during the appeal process you can ask for an external, or outside, review of your clinical records. You or your personal representative can ask us for a complete copy of your case file. This includes medical records, Delta Dental's criteria, and other documents and records used by Delta Dental for your appeal. These can be provided in writing at no charge to you. If you would like a copy of your appeal case file, please call us at 1-888-472-2793.

12.4 Expedited Appeal

You, your personal representative, your legal counsel, or your dentist can ask for a faster appeal. Call us if taking time for a standard appeal jeopardizes your life, your health, or your ability to regain or maintain maximum functions. You have the opportunity, in writing and in person, to present additional information that may help us review your appeal. You have a limited time available to submit this to us before a decision is made.

We will return a decision within 72 hours of the request. This time may be extended by up to 14 additional days if 1) you request more time or 2) we need more information and it is in your best interest. We will let you know if an extension is needed, both verbally and in writing, and explain why the extension is in your best interest.
